Natural Concrete Lime Plaster

Application Field: Exterior, Interior

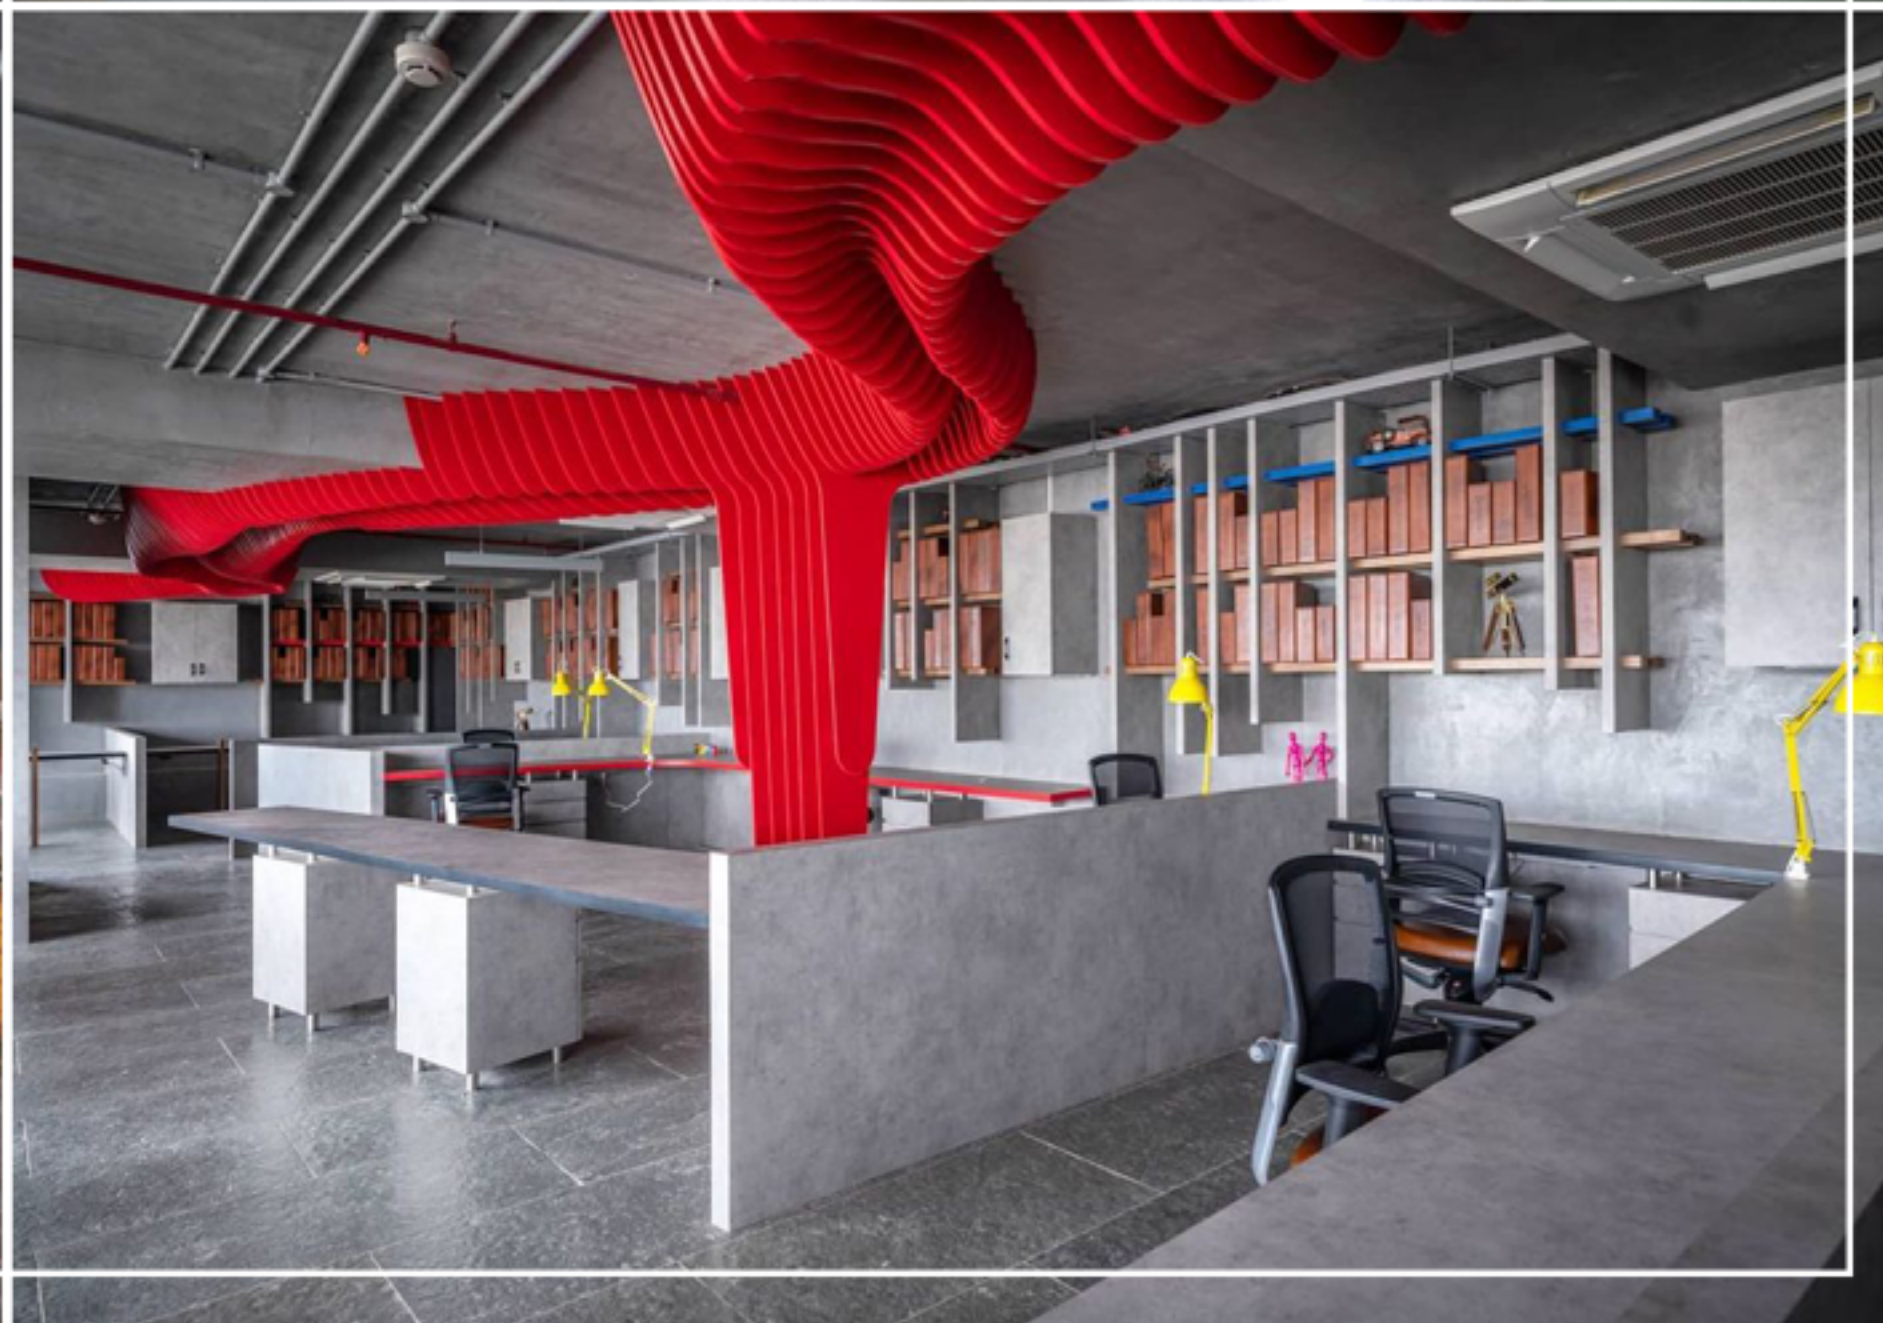

Name of the Finish: Pearl

Description:

A finish that's nothing short of sheer elegance. A pearlescent product composed of crushed silver and gold, the finish is well complemented with a warm grazing light. The finish can be achieved with brush and swirl effects.

Application Field: Interior

Name of the Finish: Brick

Description:

The exterior brick finish is part quirky and part timeless. With the right design inspiration, the finish can add a unique and perfectly imperfect touch to any wall. It makes for a perfect finish for traditional, eclectic and contemporary spaces.

Application Field: Exterior, Interior

Name of the Finish: Spatula

Description:

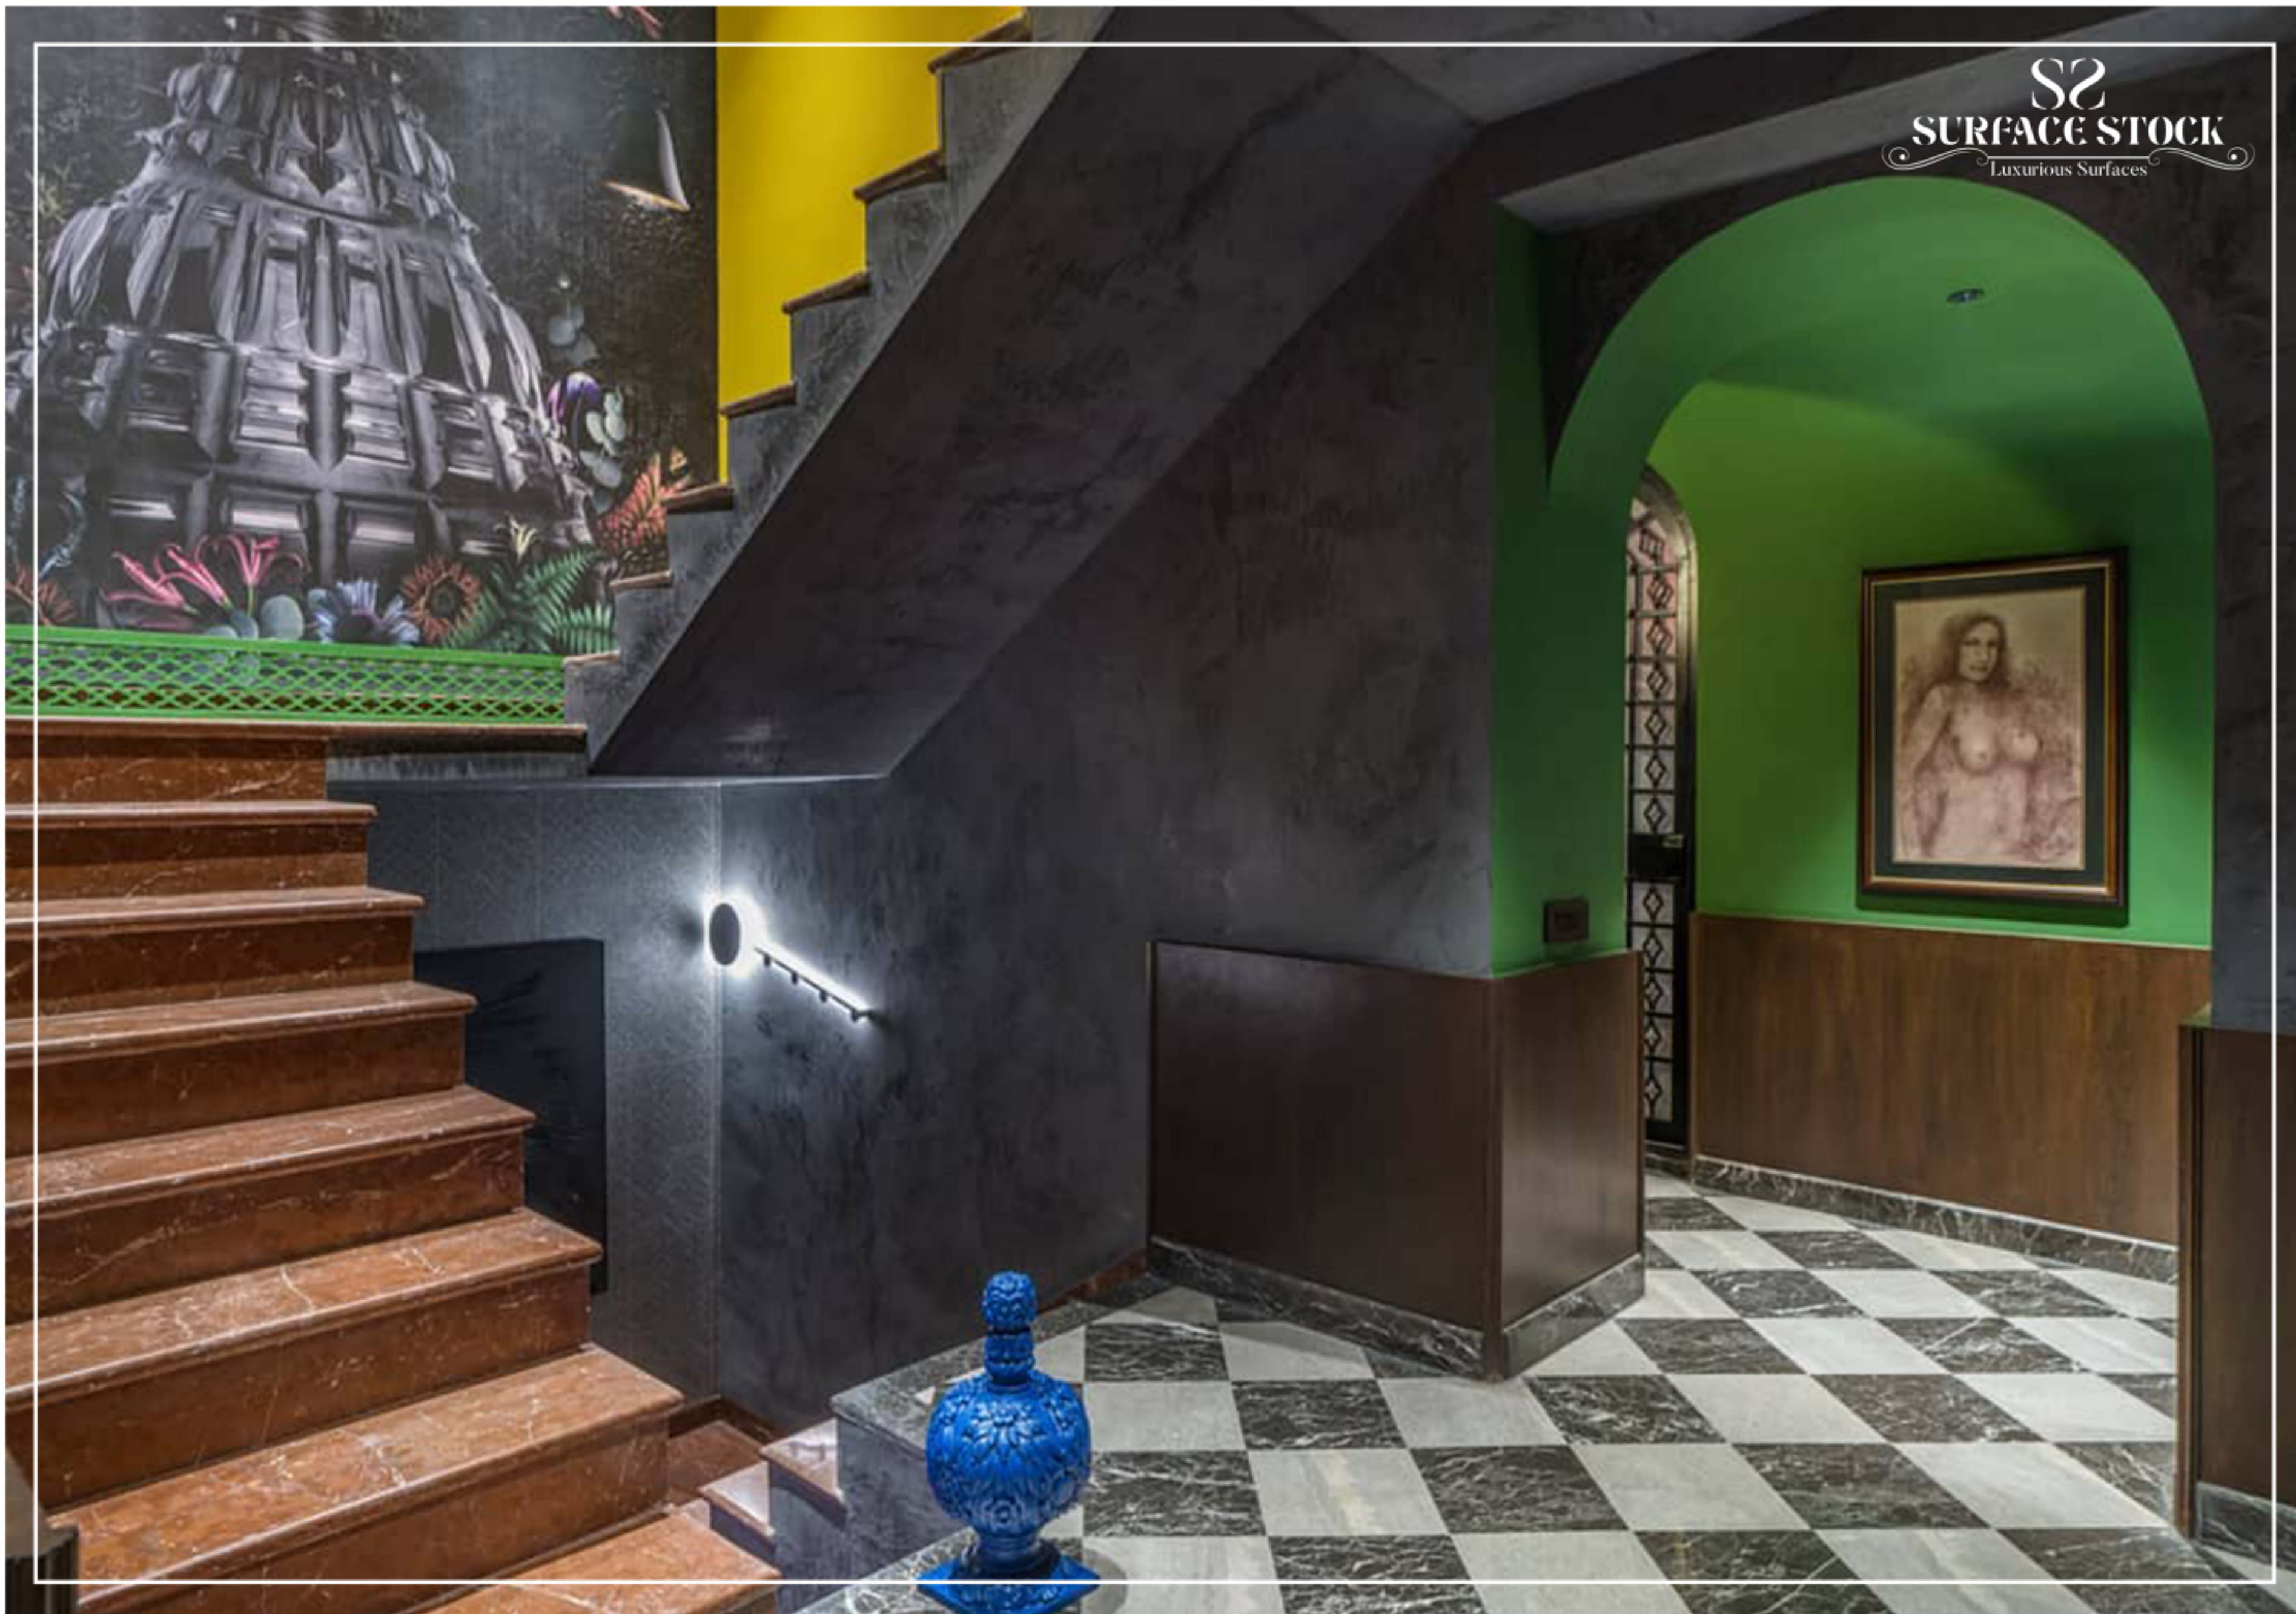

The Spatula finish reflects pure luxury. It dates back to the Egyptians, Romans and Venetians, where it was traditionally applied and polished with hot irons. It's certainly one of the most intriguing textures with the highest sheen. Applied in numerous fine layers and then trowel polished to a glassy surface, it possesses remarkable depth and sheen.

Application Field: Interior

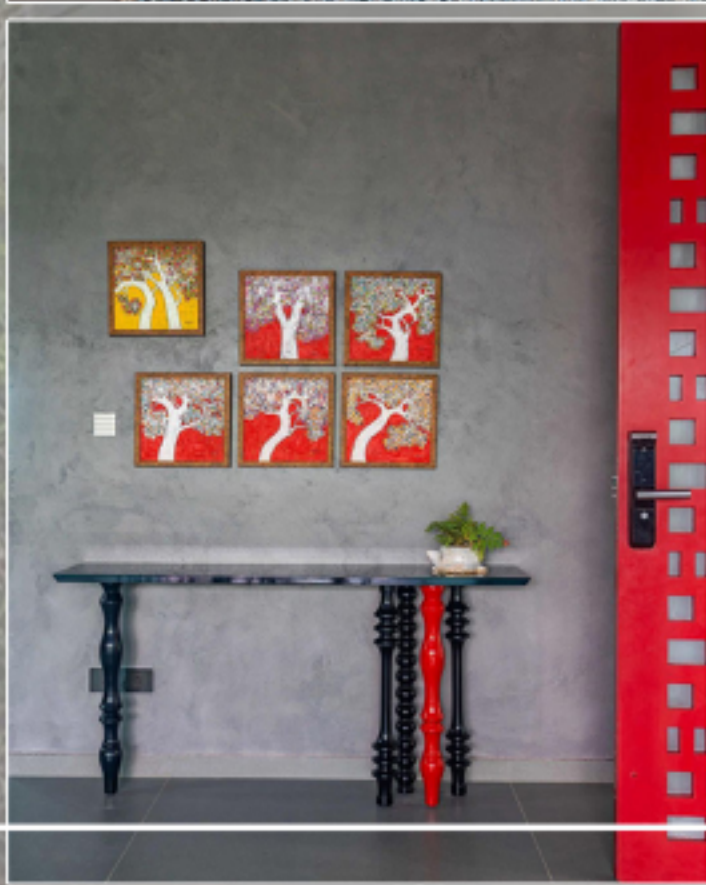

Name of the Finish: Concrete

Description:

This one is a concrete choice indeed With the Concrete finish, the aesthetic appearance of your surface is elevated with an added serene, noiseless effect that bring peace to your spaces and life, unlike usual noisy detractors.

Application Field: Exterior, Interior

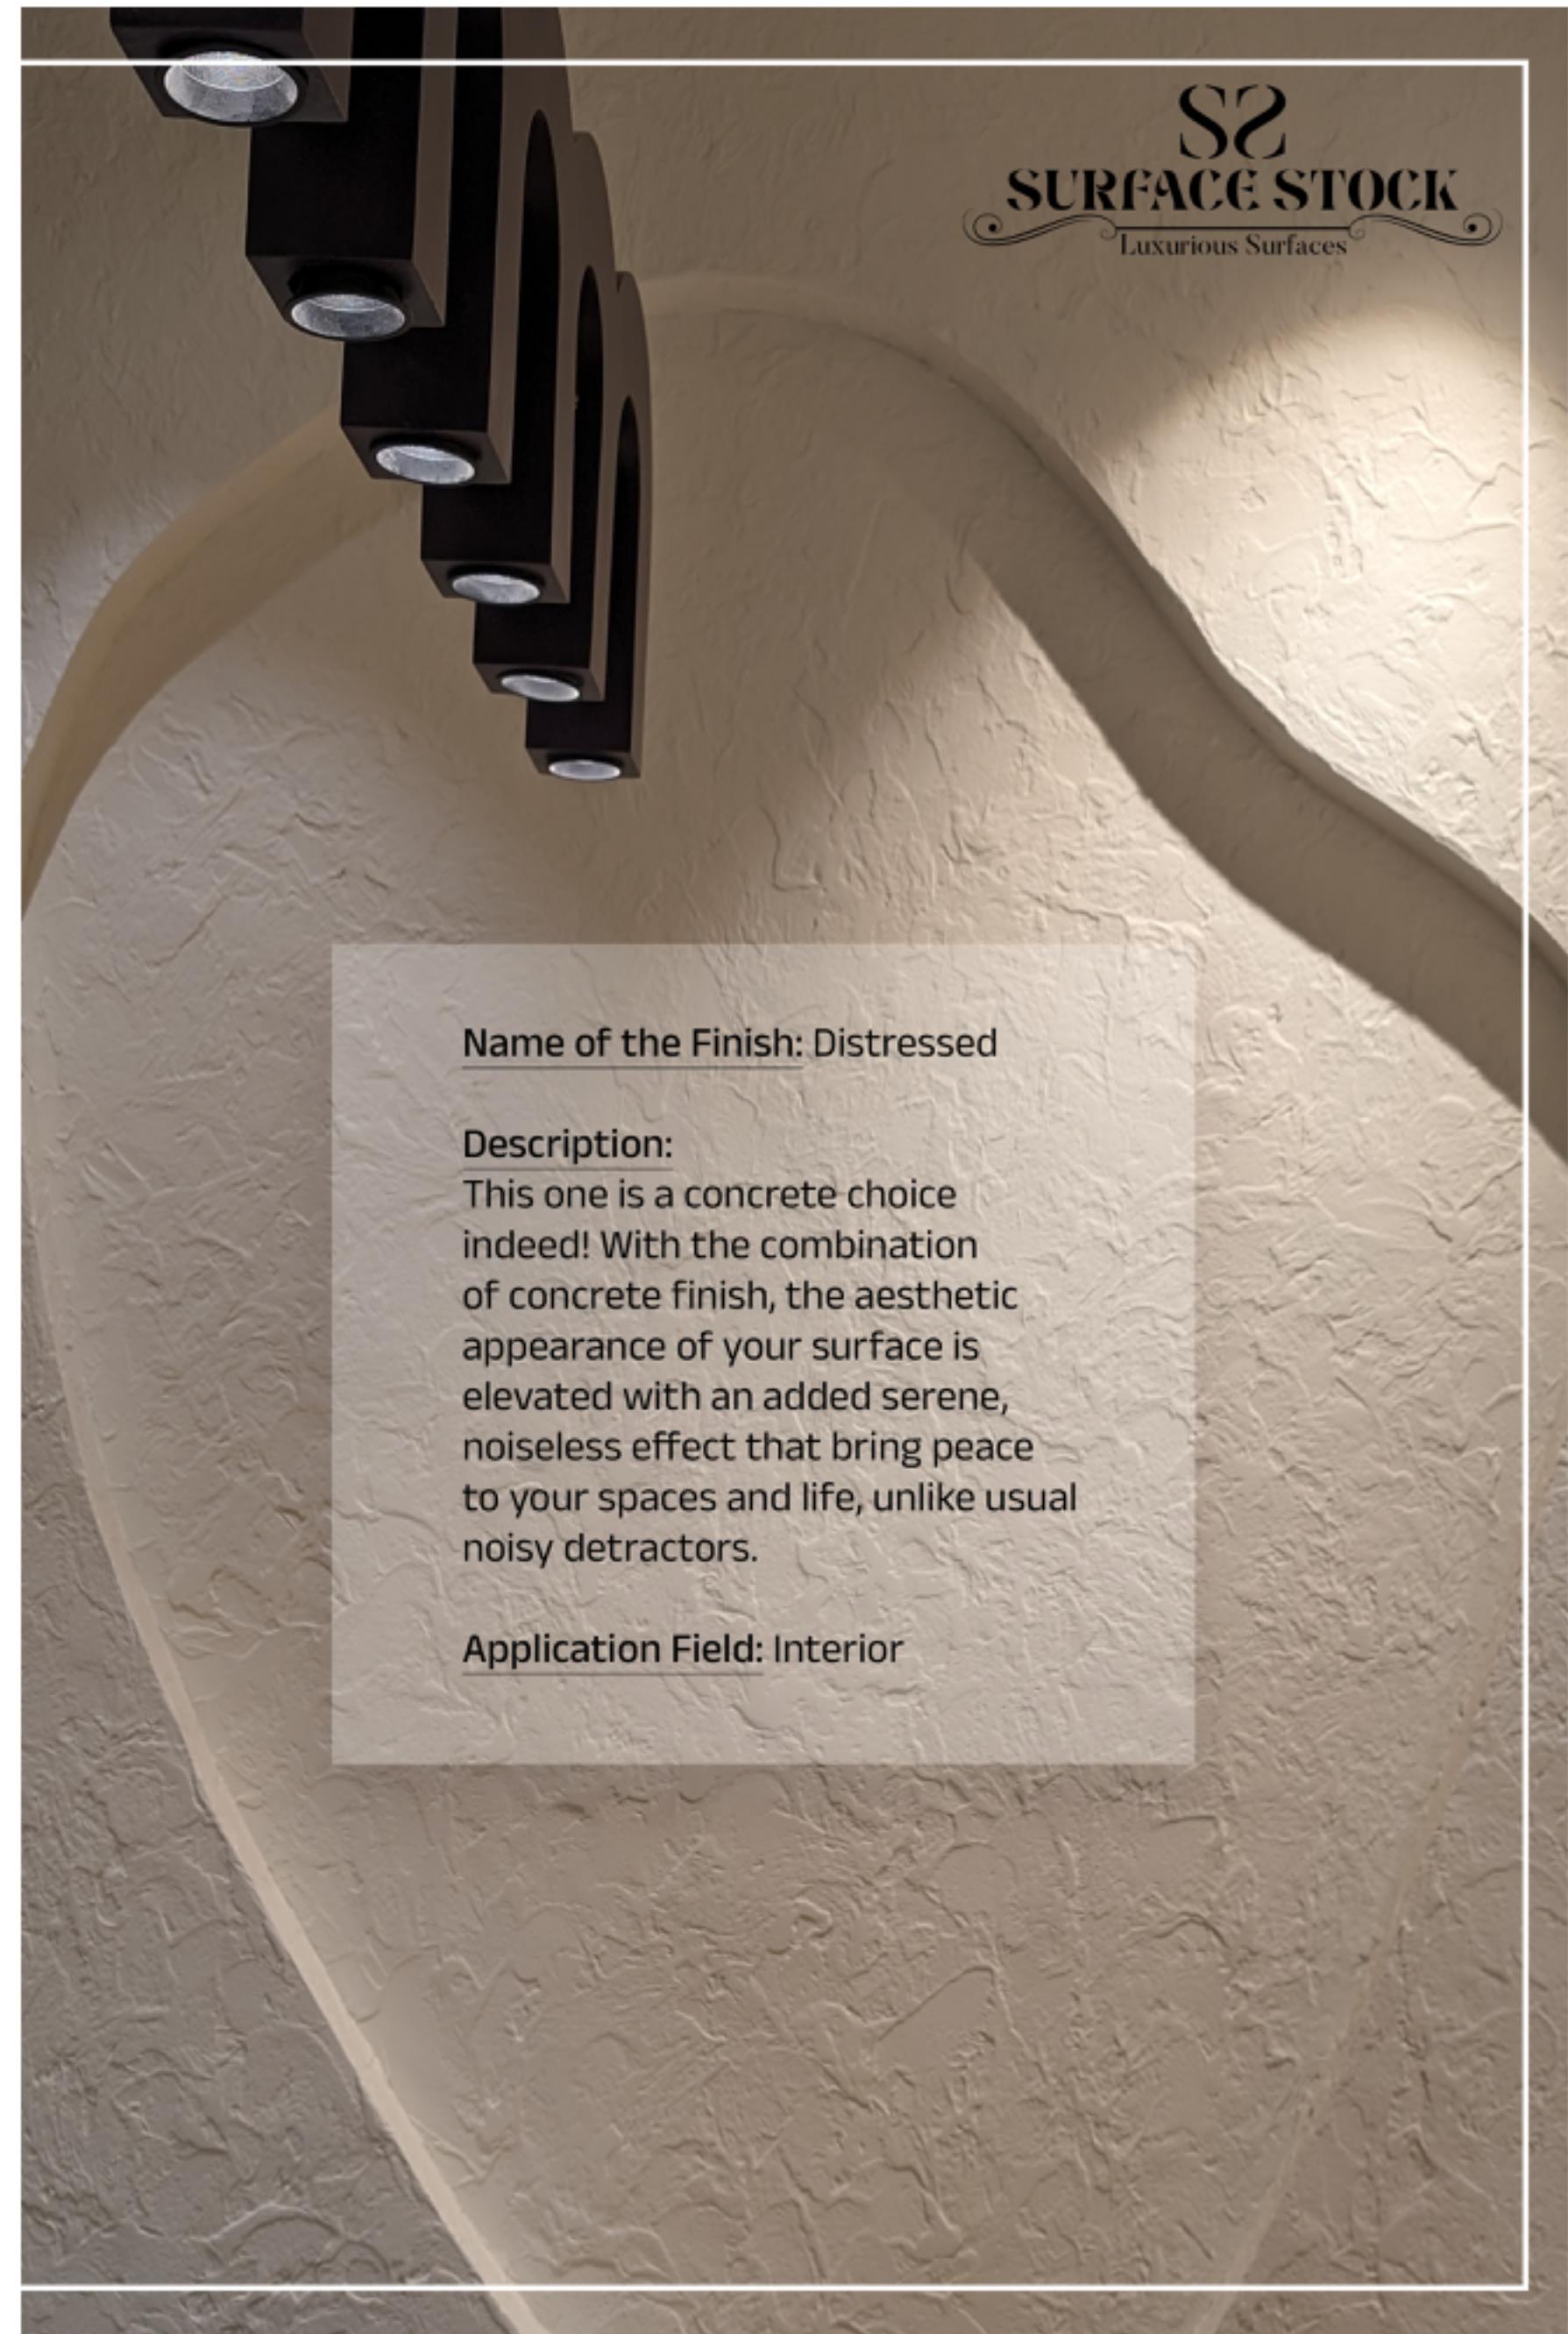

Name of the Finish: Distressed

Description:

This one is a concrete choice indeed! With the combination of concrete finish, the aesthetic appearance of your surface is elevated with an added serene, noiseless effect that bring peace to your spaces and life, unlike usual noisy detractors.

Application Field: Interior

Name of the Finish: Pearl

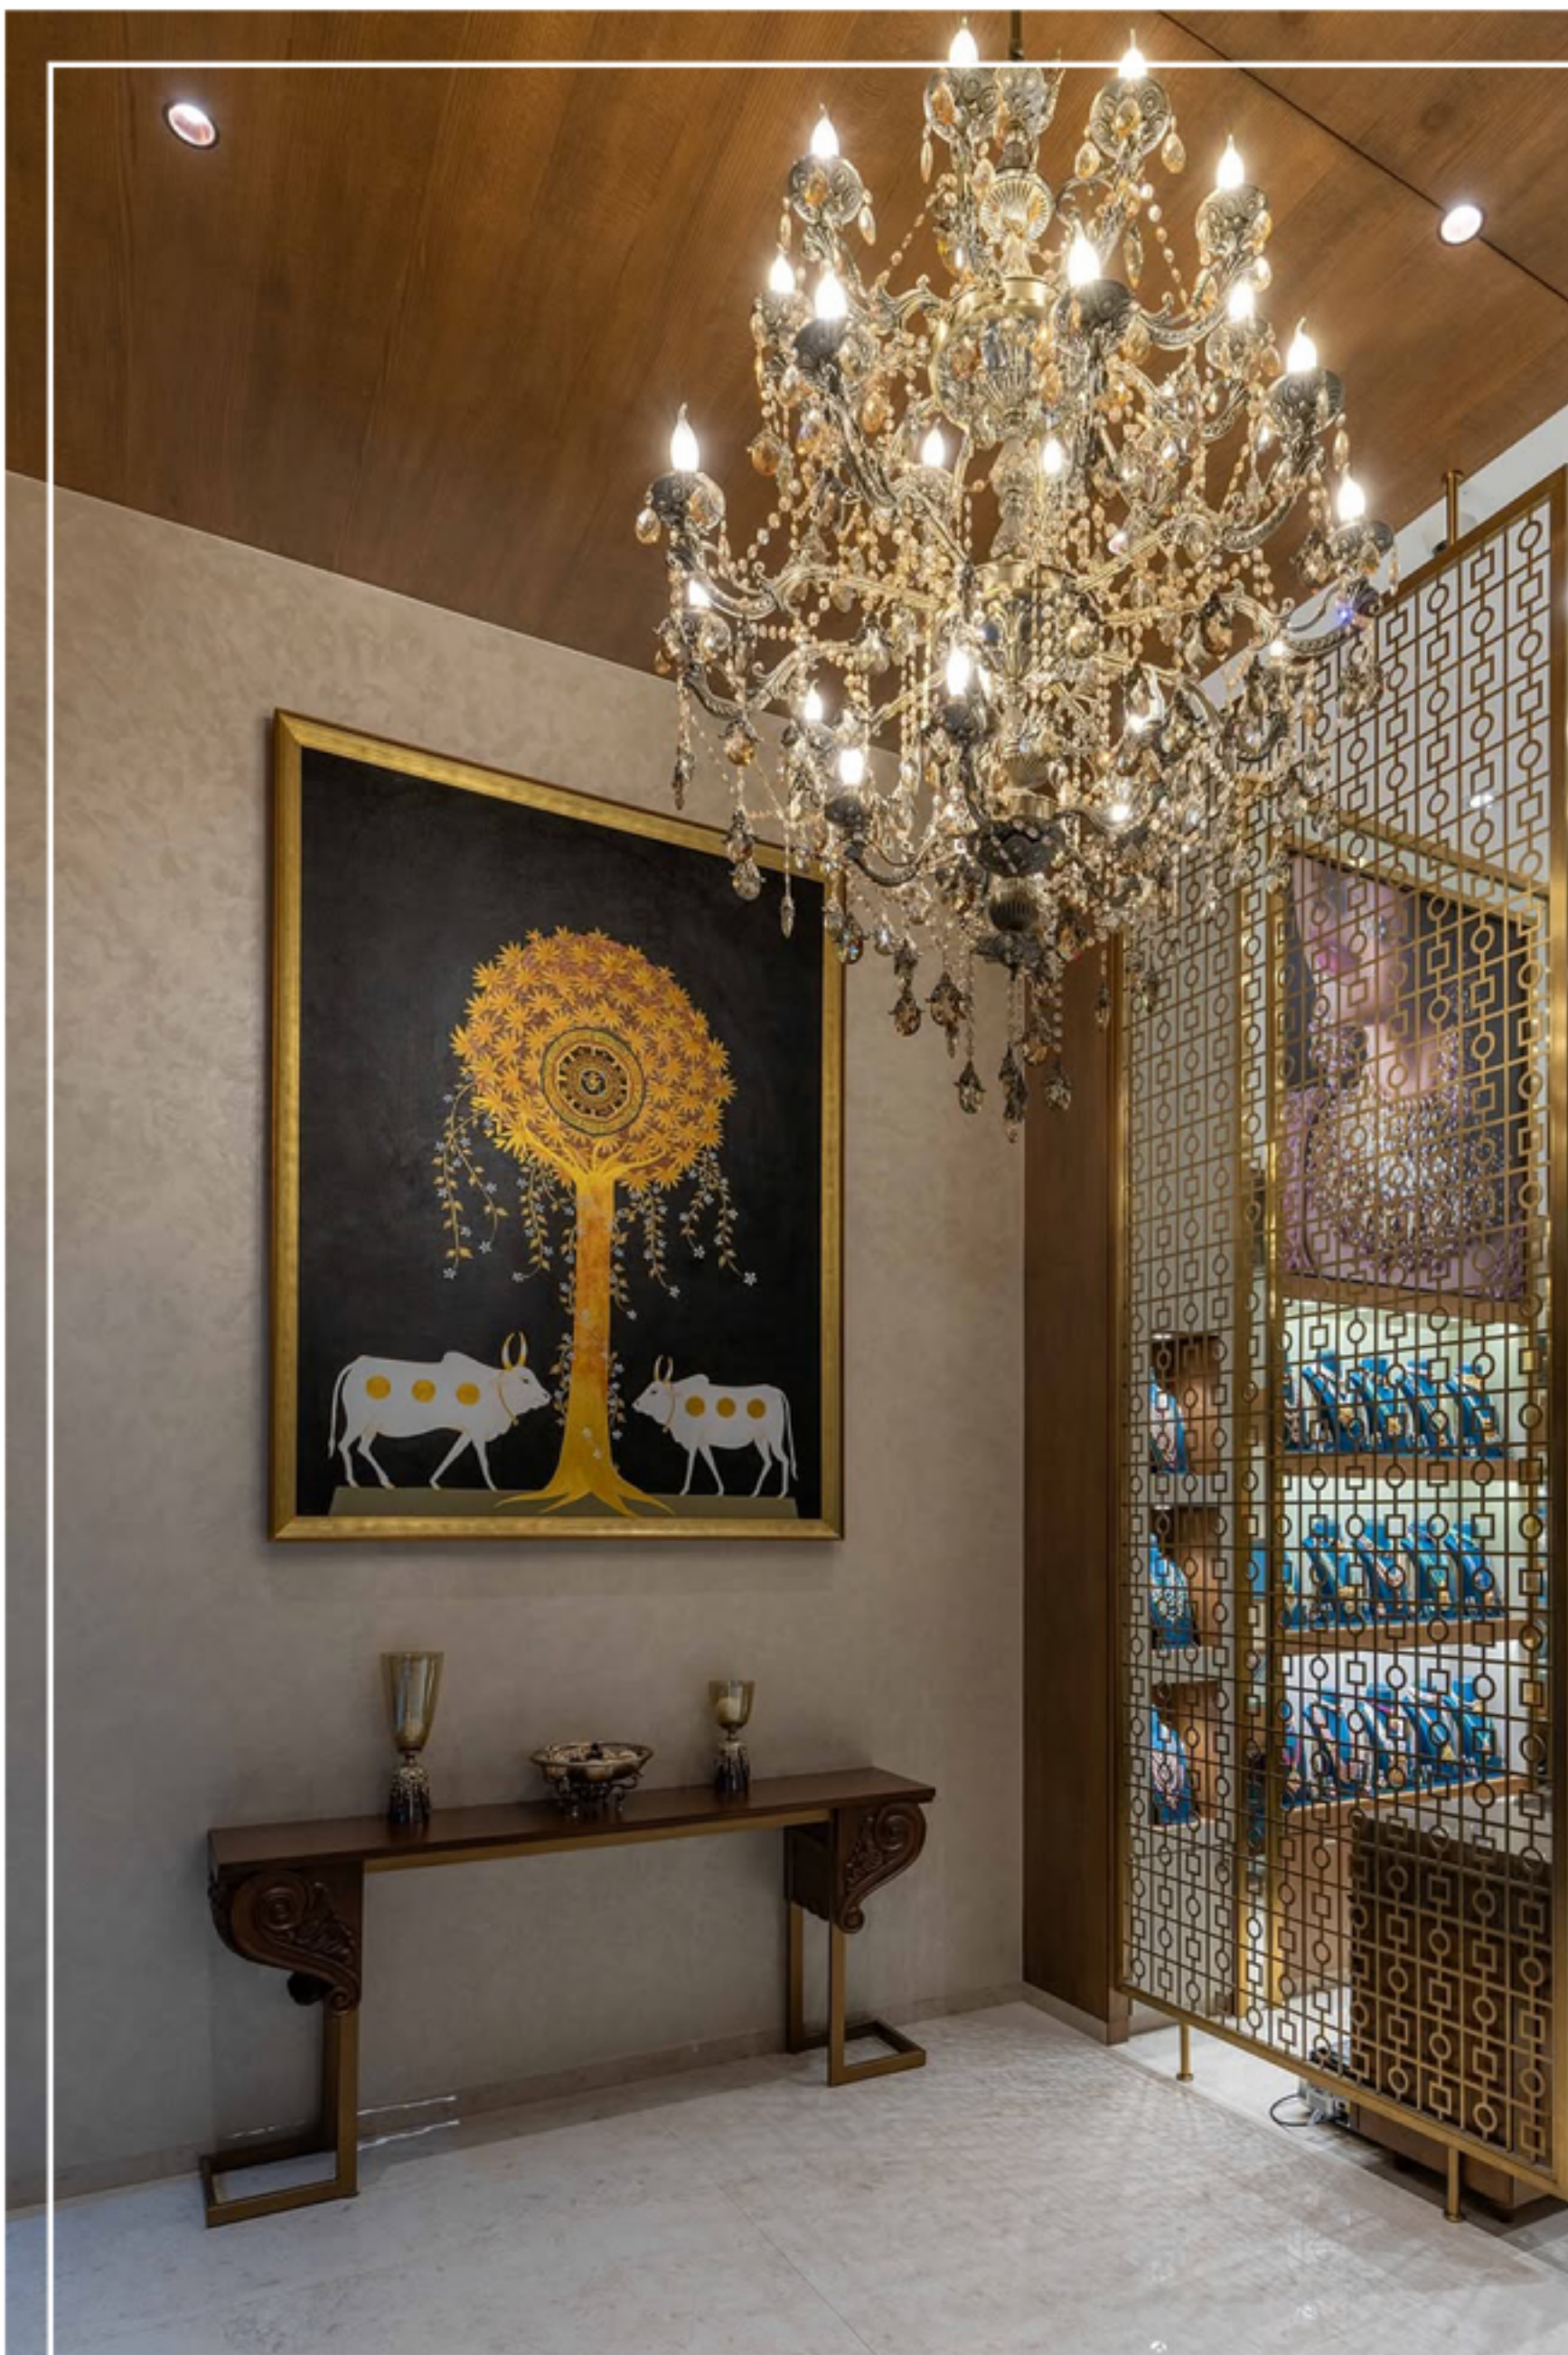

Description:

Synthetic decorative with a pearlescent silk effect. Paste product composed of resins and silvery or golden metallic pigments, for finishes with a classic style and a modern design

Application Field: Interior

Name of the Finish: Istinto

Description:

With wonderful complex patterns, Istinto creates smooth leather like and naturally shiny or matt finishes. You can get finishes like cut stone, polished stone, carved stone, natural cement, Zen Stone and Bamboo. It comes with a complete acrylic finish comprising waxes of soap and beeswax.

Application Field: Exterior, Interior

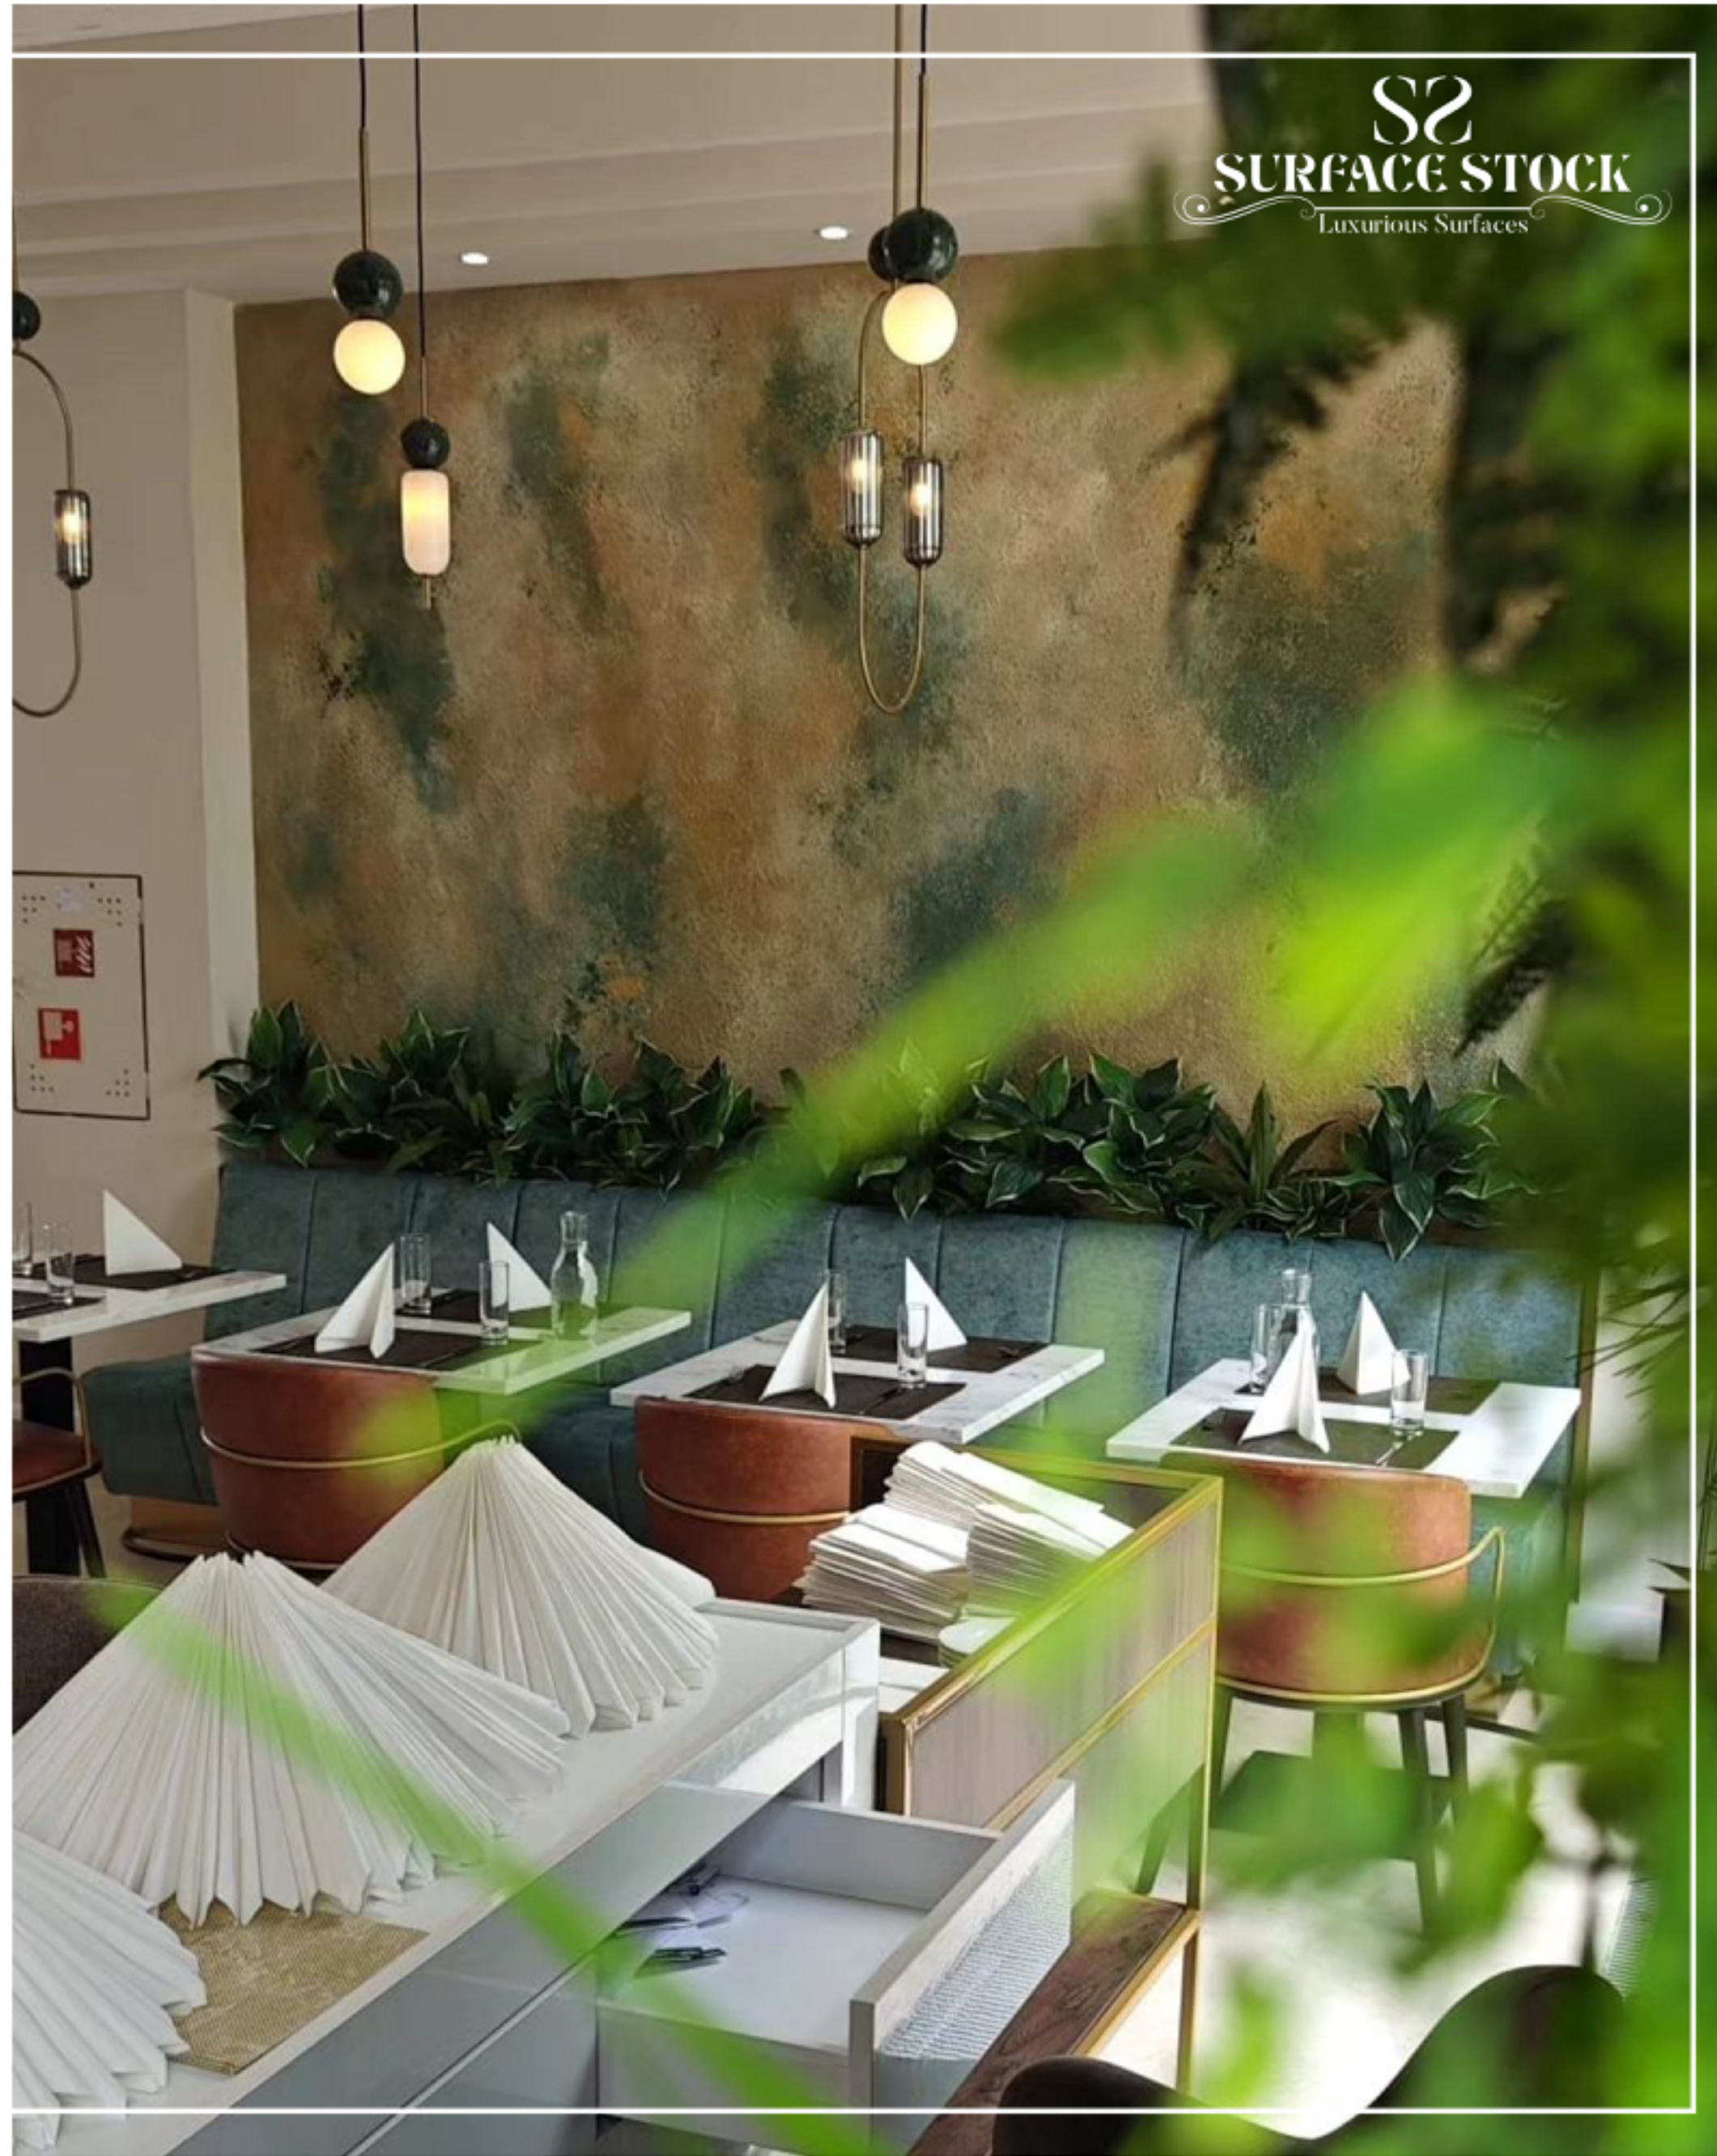

Name of the Finish: Moon Craters

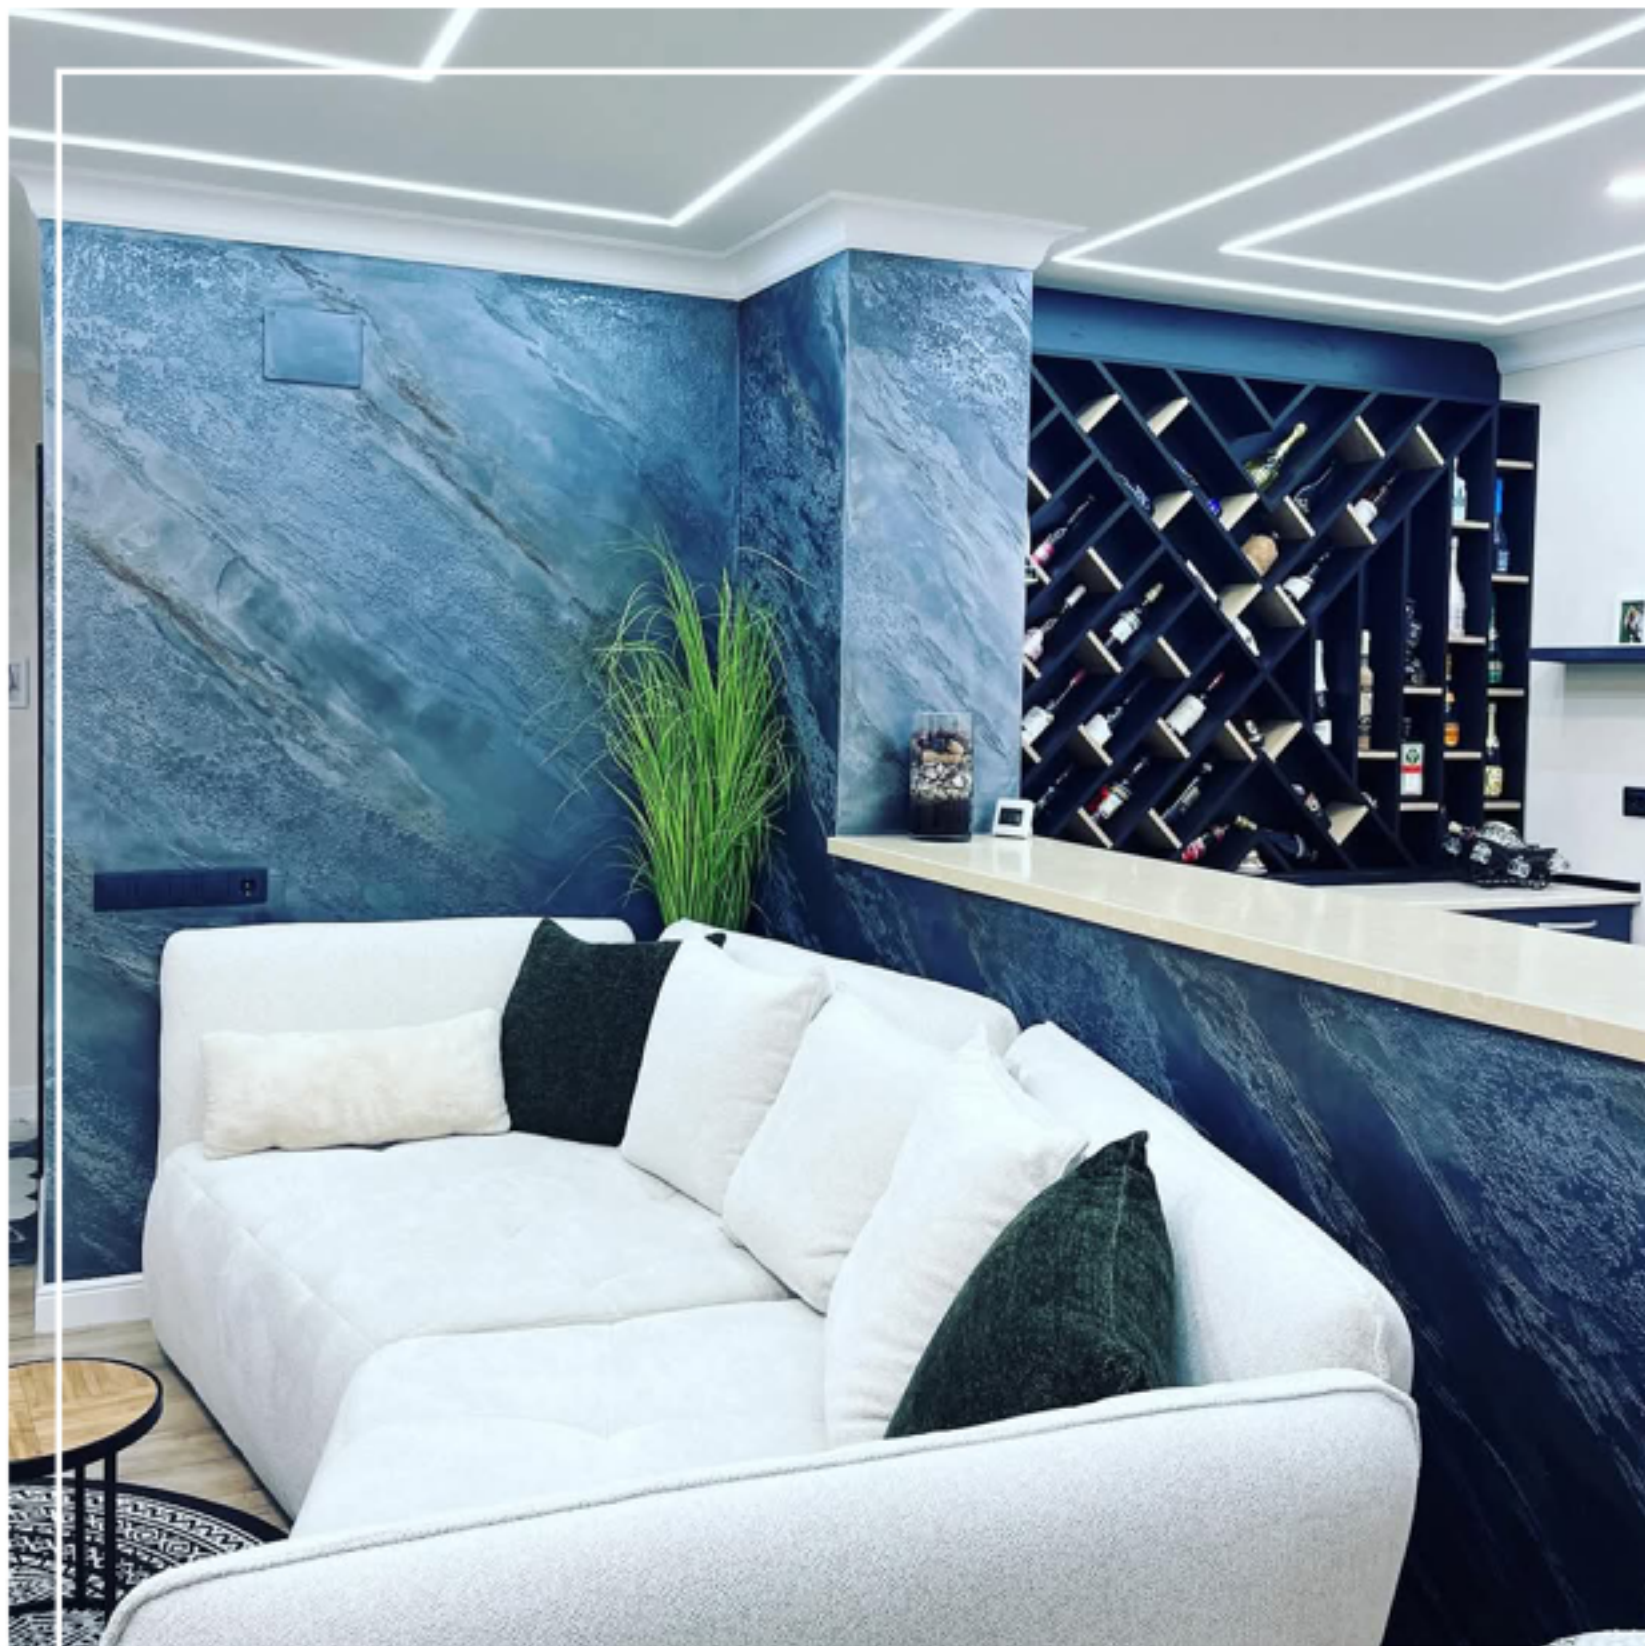

Description:

Moon Craters is created through a combination of Vixalit, a lime based paint and Visolcalce Extra Fine. This finish is used particularly to achieve an ancient effect on decorative surfaces. It also gives highly chromatic effects of traditional ancient lime painting.

Application Field: Exterior, Interior
